## PROJECT

### PORTFOLIO WEBSITE

- I designed and developed a responsive portfolio website utilizing HTML and CSS to showcase my professional projects, skills, and experience. Employing clean and modern design principles, I ensured an intuitive user interface and seamless navigation across various devices.

### TRAVEL WEBSITE

- Crafted an impactful and dynamic landing page for a premier fitness center using HTML, CSS, and JavaScript. The landing page was meticulously designed to captivate visitors with an immersive visual layout, showcasing the gym's facilities, services, and membership benefits. Implemented responsive design techniques to ensure seamless viewing across desktop and mobile devices, optimizing user experience.

### SOFT SKILLS

- **Communication:** Effective communication to facilitate collaboration and understanding.
- **Teamwork:** Strong team player with a history of successful group contributions.
- **Adaptability:** Quick to adjust and thrive in changing environments.
- **Problem-Solving:** Proactive in identifying and resolving complex issues.
